

BUG TECH

PERSONALIZED PEST MANAGEMENT

BUG TECH, LTD

Established 2012

Capability STATEMENT

Bug Tech provides residential housing, commercial businesses, and government entities with the highest quality service in pest control. Bug Tech is dedicated to providing our customers with exceptional quality and service, and we are dedicated to continuous efforts to hone our skill and craft by constant training and education. Our list of services is constantly growing and changing to provide our customers with everything they need to keep their properties pest free. We are able to service West Texas and the Texas Panhandle, as well as Eastern New Mexico.
